What is a Foreign Bank Allotment?

An amount of money directly deposited into a foreign bank account from your paycheck.

Why Participate?

Save time! No more standing in line to cash a check and then deposit it to your foreign bank account.

Save money! Conversion is made at the US Treasury Wholesale rate (generally 1.5-2% better than the cash cage)

Less stress! If you deploy or go on leave, money is deposited into your account automatically.

Provides more options for paying foreign bills

You may adjust allotment amount using MyPay after start of the allotment.

Who can participate?

Active Duty Service Members

GS/WG employees

Military Retirees

Annuitants

How do you sign up?

Active Duty: Go to your local servicing finance office or element
